

# IB Workshops by TutorYou

Unlocking Academic Excellence for International Baccalaureate (IB) Students

ONLINE & IN PERSON

TAILOR-MADE

## How it Works

TutorYou presents a workshop series designed to empower International Baccalaureate students in excelling at key components of the IB.

Our workshops are crafted to provide targeted support and guidance, ensuring students navigate the complexities of IB requirements with confidence. **They are tailor-made to address the needs of the specific class or school and are completely free of cost for the school**

## Example Topics

### 1. Extended Essay Mastery

- Choosing the Right Research Question
- Effective Research Strategies
- Structuring and Writing a Winning Extended Essay

### 2. Internal Assessment Perfection

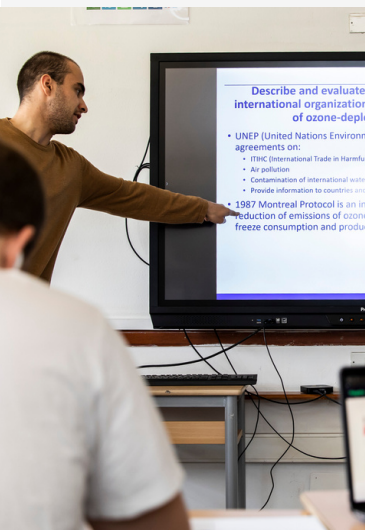

- Understanding Assessment Criteria
- Data Collection and Analysis Techniques
- Writing a Comprehensive Internal Assessment Report

### 3. Theory of Knowledge (TOK)

- Navigating TOK Essay Prompts
- Presentation Skills for TOK

### 4. Time Management & Study Skills

- Efficient Planning for IB Deadlines
- Effective Revision Techniques

## Our Tutors

Our team consists exclusively of top-scoring IB graduates who have excelled in the very subjects they teach. Students gain invaluable insights and strategies directly from those who have mastered the IB program
